SPY KILLS 6 cont...

Geniatric ANITTAF~~A~~has an idea, "Why don't we put on monitorsurveillance, datasur..., and everything we do.

Vercingetoris says, 'That's all we have already except for the 'everything' part. We can only... No only. I, Vercingetoris, can make individual attacks against key-personell. That kills our schedule to one SPYKILL a day whereas erlier we were thinking we could do simultaneous multiple take outs. With an unknown VS it is far to risky. Also we lost onegoodman. That is not good.'

Geniatric Hakim mumbles, 'What is one per day, it is mere fire...'
